

## Calling Them In! – Recruiting Promo: 2016

Two Beretta A300 Outlander 12 g. shotguns will be given away, at the 2017 meeting next January, to help our chapters build better teams.

- One Beretta will be given to an **existing volunteer** who recruits a new volunteer. (Recruiters gun)
- One Beretta will be given to a **newly recruited volunteer**. (Recruit gun)

For each new volunteer, the recruiter and the new recruit **will each** receive a chance towards a gun.

There is no limit as to how many people you can recruit

A new recruited volunteer is someone who is defined as a committee member who **attends meetings, helps plan a banquet/event, helps sell event & class “A” tickets, helps work a event, helps recruit more volunteers, helps gather donations, or works as a registered mentor at a WWA learn to hunt waterfowl event**, etc.

Please use your best judgement – the goal is to help **build our volunteer base** and help make our **chapters stronger, more fun, and more successful**.

All recruiters and new volunteer recruits are to be reported to the executive director, & confirmed by the regional director, or a state board member.

**The drawing for this incentive will be at our 2017 WWA State Meeting, you must be present at the meeting to win!**

When you recruit a new volunteer,  
**make sure you engage them.**

Let new volunteers know they can make  
an impact, and help by:

#1 – recruiting new volunteers

#2 – selling banquet tickets and class “A”  
raffle tickets/calendars

#3 – gathering donations & sponsors

#4 - training as new committee officers

#5 – becoming a mentor in a WWA Learn  
to Hunt waterfowl event
