

2018 WI Waterfowl Association “State Hunt” Class “A” Raffle - Prize Program:

“Waterfowlers’ “Show-Me State” Dream Hunt!”

SEMO Outfitters, in Advance, MO, is a waterfowlers favorite hot spot! We offer some of the best duck hunting in Southeast Missouri. Be it flooded corn, wheat, beans, rice, millet, milo, buckwheat, or timber in the backwater, we have it. We mainly shoot out of spacious pits, but get after them in layout rigs, dry fields, or where ever we have to go to get them. Using this tactic is the reason we average 5 birds per hunter for the season, not just limited times of the season.

The package – winner receives: (1 entry will be drawn, from all entries received, all year long, during 2018)

For four (4) hunters – **3 days hunting**, fully guided, with spacious **lodging** the night before each hunt (**3 nights**), transportation to/from blinds, and full kitchen facilities available for use. Check in to lodging: 5pm the day before, check out: 2pm, following the last hunt day.
