Don & Bruce re-worked the spreadsheet for volunteer staffing needs for the first 3 tabs, Don needs to get with Rob for the final tab, to ensure its accurate enough.

Don has gathered some very good extra information for the calling championships portion of the website, just need to incorporate it, tomorrow, and ask Rob a few clarifying questions, and get his registration form...

Don & Bruce slightly reworded the press release. I've also added the interview candidate's phone numbers to the listing, so you could be contacted for promotional statements. If you have issue with yours being included, please contact Don ASAP!

Don to contact Kelcy to clarify that insurance coverage is in place for Bruce to begin receiving decoys via mail as of July 9th.

Don to confirm with Steve at Richfield that we will arrive about 3pm on Tuesday, July 17th for a pre-planning meeting and site tour. Don, Bruce, Rob confirmed. Pat expected, Eric expected (work pending), Mike expected, but unconfirmed. Russ possible, will not know until closer. Don to invite the balance of the board to attend, if desired. May also see about Tom. Car pool to leave Freedom at 1:30pm.

Bruce to continue working on a carving club demonstration/exhibit. His first choice was unable to attend, as a bunch of their members will be in Boulder Junction for Musky Fest weekend.

All: need to start confirming key volunteers (returning) for specific roles, as outlined in the spreadsheets...

Next meeting is scheduled for Tuesday July 17th, approximately 3-4/4:30pm, Cabela's Richfield, please mark your calendars.
