Mr. Rob,

I wanted to recap our conversation about utilizing some of our Co-Op funds for a Class A raffle with Wisconsin Waterfowl Association. I have two (2) BRP Can-Am Defenders that I believe can make great raffle prizes. I have included them below. As I indicated on the telephone, I will have to stay with a BRP unit for the Co-Op reasons and I believe that these two units are great units a person whom is interested in riding trails/routes, hunting, farming, logging, or any other activity will comfortably be able to utilize. We have had great success with these units and every customer has been satisfied!

2018 BRP Can-Am Defender HD10 DPS

Green

Side by Side UTV (3-Seat Bench)
