

# 9th Annual Youth Duck Hunt

CoSponsored by.....

**Craig Martin Legacy Fund**  
**For Youth in the Outdoors**

When: Saturday September 19, 2020 1:00 PM

Where: Duck Inn Lodge Prairie du Chien, WI

License: HIP (Harvest Information Program) certification is required. HIP is a short survey about the previous year's waterfowl season. Even if they did not hunt waterfowl last year, they need to have the HIP certification to hunt. HIP certification can be done on-line or at any DNR service center (you will need your DNR customer #). All other license and stamp requirements are waived for the youth hunt.

What to Bring: HIP Certification & Hunter's Safety card/certificate required. If you have your own gun, please bring it (guns can only be capable of holding a maximum 3 shotgun shells). If not, we will have guns to use. We will also provide all the ammo needed for the day.  
The kids should dress appropriately for a day in the woods. If its hot outside, shorts will be OK for lunch and trap shooting. Bring/wear camouflage clothes for hunting if you have them, but don't feel that you need to buy anything new for the day. We will bring extra camo shirts or jackets to lend out if needed. Waders will not be needed but bring them or knee boots along if you have a pair and want to play in the mud.
